Told me about the  
memorandum he did for MacLeamy <sup>or 65?</sup>  
on the M.L.T. Dec 64. WH  
 was "restatic" about it because  
 it was argued by the two  
 main camps, pro- & con- M.L.T.

Also told about the  
 newly established agency  
 to do a report on what Europe  
 was like in '45. This was  
 to WH in a.m. Section of it  
 was used by WH in a speech  
 later that morning.
